Last night I dreamed I lay in bed And an owl came to my
win - dow sill She spread her wings And touched my cheek That dream I re -
mem - ber still She touched me and I float - ed up Drift - ed with the
breeze Out the win - dow through the air Just a - bove the
trees

From up above I looked below
And saw my family
Then we flew off into the night
Just that owl and me
That owl and I went through the clouds
Oh, we flew so high
Around the moon and back again
Just that owl and I

The owl said "hoo" and then I was
Standing in my room
Looking out the window at
The shining of the moon
I went to bed and closed my eyes
And slept all through the night
I dreamed of the moon and how it was
Such a beautiful sight
